

PRECAUTIONARY STATEMENTS:

Even though contents are nontoxic, contact with the eyes may cause irritation. If contact with the eyes or skin occurs, flush with running water for 15 minutes. Call a physician if needed. Keep out of reach of children. DR.T's recommends using eye protection when applying Cobweb Eliminator overhead or in windy conditions. It is recommended to vacate the area for five hours after applying the product in an enclosed area.

CONTROLS AND PREVENTS FORMATION OF COBWEBS

Eliminates cobwebs both indoors, outdoors or anywhere cobwebs are noticed with 100% natural ingredients. Cobweb Eliminator will not stain most surfaces and has no long lasting odor. The mildly acidic odor noticed after application indicates the product is effectively working. This odor disappears usually in 24 hrs. Cobweb Eliminator deteriorates the webs' attachment points making for easy removal and maintains a neat and clean appearance. It also discourages the reformation of cobwebs. Expect 10% of webs to resurface around light sources after initial treatment, spot treatments are then suggested for best results.

Pre-Application Directions: Test product on a small, inconspicuous area before application for staining.

Application Directions: SHAKE WELL and do not dilute. Adjust nozzle to stream. Applications should wet the area, then remove the web residue with a stiff-bristle broom. Do not rinse after application. Cobweb Eliminator may be applied indoors/outdoors on paint, metal, fiberglass, concrete and masonry. Reapply as often as needed. Notice of disclaimer: The manufacturer makes no pesticidal claims with regard to this product. **INGREDIENTS APPROVED BY FDA/USDA IN ACCORDANCE WITH 21 CFR PART 182.1.** Authorization to use Cobweb Eliminator in food processing has been received from FDA/USDA in the U.S. and Canada. Cobweb Eliminator may be used in animal handling areas and on food crops, however, due to the "Lens Effect" recommendations are to apply to plant life in morning or afternoon hours.

Post-Application Directions: Product may need to be re-applied after heavy rain.

STORAGE & DISPOSAL:

STORAGE: Store only in original container, in a cool, dry, and well-ventilated location inaccessible to children, and pets. Do not store in areas where temperatures exceed 85 degrees Fahrenheit.

DISPOSAL: If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Note: Seller warrants that this product complies with the specifications expressed in this label.
